PLEASE TAKE NOTICE of the filing of the attached *[Proposed] Order Relating to Completion of Service* (“Proposed Order”). At the April 28, 2021, Status Conference, the Court and the parties discussed completion of Rule 4 service efforts by Mineral County on California riparian property owners in the Walker River Basin who have not previously waived personal service. Since that time, Mineral County and the Principal Defendants have agreed upon and drafted the attached Proposed Order and attachments. The parties believe it would be useful to have a discussion at the June 16, 2021, status conference about whether Attachments F, G, and H to the Proposed Order, forms relating to successors-in-interest, should be included in Mineral County’s service package. The parties will include an item on the agenda for such a discussion.

Respectfully submitted this 2nd day of June, 2021,

/s/ Simeon M. Herskovits
